The Family Case Manager (FCM) will:

¹ Foster care is defined as 24-hour substitute care for children placed away from their parents/guardians/custodians and for whom the State agency has placement and care responsibility. Facilities that are outside the scope of foster care include, but are not limited to: detention facilities; psychiatric hospital acute care; forestry camps; or facilities that are primarily for the detention for children who are adjudicated delinquents.

2. Determine eligibility for all CHINS and Probation youth aged 16 to 21 in foster care and youth previously in foster care.
3. Determine eligibility for youth aged 16 to 21 in relative care through an ICPC when requested.

The Probation Officer will:

PRACTICE GUIDANCE

Placement Type Determines Eligibility for Chafee IL Services

Chafee funding provides IL services for CHINS and Probation youth in local foster care, relative foster care, or other court approved placements and for youth formerly in out-of-home care who have been reunified with the youth's parents and remain under the jurisdiction of the court and remain a CHINS or Probation case.

Eligible youth in any placement type are eligible for Chafee IL transition services (see separate policy 11.6 [Transition Services](#)) at age 17 years and 6 months and older for youth "aging" out of foster care. These services are to assist the youth in locating housing and employment prior to the youth's case being dismissed.
